WORK EXPERIENCE

NOV 2025 – PRESENT

Freelance Art Director, Berlin

- * Owned all visual output for TECH by Handelsblatt (19M+ readers), from conference branding to campaigns across print and social.
- * Built brand identities and visual systems from concept to rollout for clients, including Goldental Center for Mental Health.

NOV 2023 – SEP 2025

Art Director, GREENTECH FESTIVAL, Berlin

- * Led the creative concept and art direction for campaigns reaching 500k+ impressions, including "It's About Our Lives", featured on [Ads of the World](#).
- * Owned and evolved the visual identity across campaigns, presentations, social, and on-site branding for an event with 15K+ attendees.

NOV 2020 – AUG 2023

Art Director, Avraham Advertising Agency, Tel Aviv

- * Directed campaign concepts, brand identities and visual languages across TV, OOH, print and social for 10+ clients.
- * Led TV spots and large-scale photoshoots from concept through shoot and edit, mentoring junior designers and freelancers to protect the creative vision.
- * Partnered with leading brands across finance, media, automotive, food and consumer goods, translating each brief into a distinct creative idea.

JUN 2020 – NOV 2020

Graphic Designer, TCM International Trade Ltd

- * Designed 50+ digital marketing assets per month, supporting campaigns that measurably increased audience engagement.
